

BANG

The Boston Area Naturist Group

will be holding a

“Pack the Café” Pride Party

on **Saturday, June 5th**, from **4 to 10pm** in Chelsea.

This will be a function you don't want to miss as we've invited “our neighbors to the south” to join us as our guests. We'll be providing the food and soft drinks, videos, etc., and we're counting on you to provide the socializing and dancing! We will also have a number of experienced masseurs to help you relax. So come for a fun evening and get to meet new guys! All “first-timers” free.

Send us an email at events@bangma.org. We'll answer any questions you may have, and send directions to the party.

The Boston Area Naturist Group is a gay male nudist organization with over 100 members from across New England. We regularly hold nude gatherings in private homes, exclusively-rented facilities, and public areas commonly used for nude recreation. Our activities include afternoon and evening events and weekend getaways. We have dinner parties (both potluck and host-provided), nude swims and hot tub parties, visits to nude beaches and swimming holes, and nude camping and hiking. We also occasionally visit area nudist resorts, and hold joint activities with other gay male naturist groups.

We'll be having lots of events this summer including two weekend getaways: one to the Yellow Monkey in Ogunquit Maine, and another to Twin Ponds in Waterville Maine.
